

Foshan Xuchen Trading Co., Ltd.

Xuchen Trading Company 's predecessor is Dongyue Hardware Factory in 1985, which was founded by the father of Mr. Pang, the CEO of Xuchen, it is the first export-oriented factory of outdoor barbecue grills in Foshan of China. Through the efforts and stable development of more than 30 years , the factory has growed up from a single manufacturer of barbecue grills to a comprehensive family enterprise integrating babecue grill, heaters, outdoor furniture, camping equipment and other one-stop outdoor leisure products .

The company owns several large-scale factories with advanced automatic production equipment and lines occupied more 100,000 squre meter lands that can support our annual output can reach 150 millon usd dollars. We have our own development team, advanced laboratory and holds multiple invention patents. We have always been committed to providing customers with one-stop solutions,adhering to the concepts of quality first, service first, customer first and environmental protection first. We aim to not only be a leader in the industry, but also be the most reliable partner of customers! Our products are exported to North America, the Middle East, Africa, Southeast Asia, Central Asia , Europe and other regions . during the time, we have established long-term and stable cooperative relationships with many large international chain supermarkets and wholesaler, distributors in the world.

In the future, we will continue to work closely with our suppliers, strategic partners and company employees to constantly provide products and services that exceed customer expectations and strive to create newer and better outdoor leisure experiences for users, thereby achieving a long-term mutual benefit and win-win situation for both our customers and us.

OUR ADVANTAGES

Supply Chain Management, Integrated Services

Many years international trade experience,
full -process and professional international trade
service system

Full-Range Product Matrix,
Worry-Free One-Stop Procurement

Strong r&d team,
customized product capability

Full-Link Supply Chain Management,
Efficient Response to Market Demand

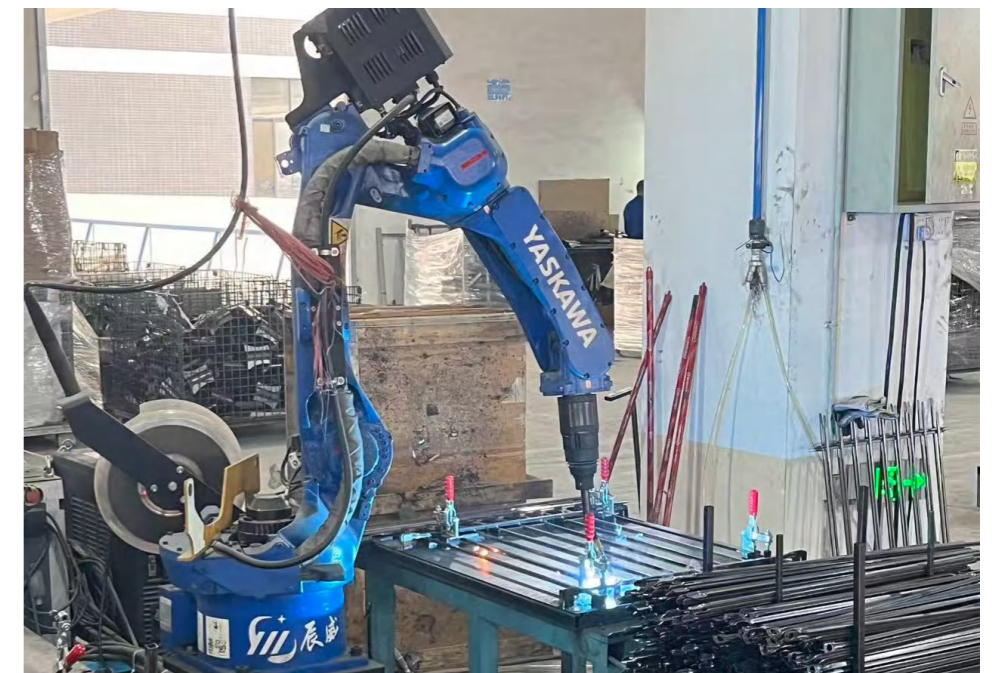

Full-range products , intergrated service team
flexiable and efficient one-stop service

Green and environmentlly-friendly production line
global environmental protection trends

WORKSHOP

Advanced equipment for precision production.

LABORATORY

We have our own product testing laboratory.
